BHAWA SPA PACKAGE 2

Aromatic Oil Massage with hot stone

A natural product oil to anoint the body and slow motions to release tension in the muscles is a technique for aromatic oil massage. Join the treatment to relax your mind and soul.

A journey starts with a welcome aromatic herbal drink to freshen you up. Select your preferred aromatic oil and pillow mist spray. Then, a courtesy escort by the therapist to a private treatment room.

Enjoy a warm-temperature oil massage; this is a time to breathe deeply and clear your mind while allowing positive thoughts about your body and its shape and abilities to anchor you. Follow up with a hot stone rub for good blood circulation. The session lasted 70 minutes when it concluded. There is an optional shower. Then, a short walk to the main lobby for the refreshment set with seasonal fruits and hot herbal drinks.
